Meet the Leads!

SCARLET FRANKUM as *Clara*

Scarlet finds immense joy in portraying Clara, reveling in the opportunity to participate in numerous dances. However, mastering the intricate jazz choreography has proven to be her most challenging hurdle this show. With three years of dance experience under her belt, she has developed a deep affection for lyrical dance, expressing her emotions through graceful movements. From Space Odyssey, Royals, Spooktacular, 8-bit Birthday Bash, Snow Queen, Neon 90s, to the current production of *The Nutcracker*, Scarlet's journey in dance has been diverse and vibrant. Gwen from Snow Queen holds a special place in her heart. The Candy Canes dance routine brings particular delight to Scarlet and she eagerly awaits the audience's reaction! Scarlet is enthusiastic about dancing on stage with everyone and eager for the audience to witness the sheer talent and hard work poured into each performance by the cast.

ZURI BYRD as *The Nutcracker*

Zuri finds comfort in not having to change shoes frequently and relishes the ample dance opportunities within the show. However, the challenge of switching studio rooms amidst classes and swiftly learning multiple dances throughout the day has tested her adaptability and resilience. With almost 7 years of dance experience, Zuri's heart resonates with the rhythms of Tap and the challenge of Acro. From her debut in The Winter Showcase to an impressive lineup including The Amazing Circus, Wonderland, Space Odyssey, Royals, Spooktacular, 8-Bit Birthday Bash, Snow Queen, Neon 90's, and a host of other RDC shows, Zuri's dance journey has been rich and varied. As she reflects on her favorite dances, 'Snow' & 'Flowers', Zuri eagerly anticipates showcasing her growth, from her Neon 90s performance to her upcoming role in *The Nutcracker*. Additionally, she's excited for the audience to witness her sister Inara's progress, revealing a heartwarming anticipation for their shared growth and achievements on stage.

LEE BARAJAS as *The Rat King*

Lee revels in roles that break away from the traditional "pretty princess" archetype, preferring the challenge of embodying characters like the Rat King. Their journey in dance spans almost 2 years, in which they have found the styles of Hip Hop and Jazz to be amongst their favorites while performing in 8-Bit Birthday Bash, Snow Queen, Neon 90s, and now *The Nutcracker*. Lee looks forward to watching Zuri perform her *Nutcracker* solo most and of course, celebrating all their peers' hard work come to life and captivate the audience.

EMERSYN LOPICCOLO as *The Sugar Plum Fairy*

Emersyn, enchanted by the exquisite tutu of the Sugar Plum Fairy, adores the grace and beauty it brings to her role. Her greatest challenge lies in memorizing multiple intricate dances, especially the added complexity of performing one en pointe. Having been part of an array of productions from Wonderland to *The Nutcracker*, Emersyn's journey in dance has been a mesmerizing adventure. As she steps into the role of the Sugar Plum Fairy, she eagerly anticipates witnessing Mikayla's rendition of The Dew Drop Fairy. Yet, Emersyn's utmost excitement lies in sharing the enchantment of *The Nutcracker* with the audience. Eager for them to experience the sheer magic of the show, she's determined to deliver a performance that captivates and leaves a lasting impression.

Meet the Leads!

MICHELLE HICKOK as *Drosselmeyer*

Michelle is a special guest performer who has graced the stage once before with Flare in our beloved 8-Bit Birthday Bash show as a Baker with a little Cupcake partner - her daughter Chloe. She is widely known as the guru of making and owns Zelma's, the shop responsible for your show flyer, custom ornaments, awards, much of the Flare merch, and more! She is stoked to be able to bring magic to the stage with her whimsical take on the classic Drosselmeyer and is infatuated with the majesty of her character's wardrobe and shenanigans but is most excited to see her progeny perform her heart out.

ANNABELLA ZUCCARINI as *The Ballerina Doll*

Bella delights in embodying the adorably sweet essence of her character. She notes her challenge as needing to maintaining precise arm movements during performances, which she continually works on perfecting. With three years of dance experience, Bella has developed a deep affinity for acrobatics and jazz, both styles fueling her passion for movement and expression. From Birthday Bash as a Sunray, to Snow Queen where she showcased her versatility as a wolf and snowflake, to the Neon 90's performances embodying a gargoyle & more, Bella's diverse roles showcase her versatility on stage. The gargoyle's acrobatic routine holds a special place in Bella's heart. As she immerses herself in each role, Bella finds joy in the exhilarating and fun aspects of performing. Eager to showcase the excitement and unique charm of each performance, Bella is thrilled to share the fun and captivating experience with the audience.

ELLANORE PETERSON as *The Harlequin Doll*

Ella finds sheer delight in the captivating dance routines and stunning costumes of every performance. Acting remains a challenging yet rewarding aspect of her journey. With a dedicated span of 6 years in dance, the realms of hip hop, tap, and ballet have become her favorites. Having graced the stages of Spooktacular, Neon 90's, Snow Queen, and Birthday Bash, Ella has left her mark in various productions. Ella's favorite role has been portraying a wolf in The Snow Queen. In this production, she holds a particular fondness for The Dolls' routine, the enchanting duet of Clara and the Nutcracker, and Zuri's fierce Nutcracker Solo. As she gears up for the upcoming performance, Ella is most excited for the audience to experience the captivating journey from the welcome to the farewell and, of course, her Harlequin Doll dance.

BLAKELYNN TENNEY as *The Pirate Doll*

Blake thrives in the spotlight, cherishing the exhilaration of dancing solo. However, the prospect of potentially freezing on stage presents a challenge, keeping Blake alert and focused. Blake's favorite dance style is Acro. Having been part of Neon 90's, Spooktacular, Birthday Bash, Snow Queen, and various other dance endeavors, Blake's dance journey has been a diverse and thrilling ride. Among the myriad of roles portrayed, being The Pirate Doll, a clown, a ninja, and a raccoon all stand out as memorable highlights. The entirety of the doll dance sequence holds a special place in Blake's heart and is thrilled to showcase this captivating routine, aiming to leave a lasting impression with her first solo.

Meet the Leads!

LILY NOVAK as *The Peppermint Princess*

Lily has been dancing for 10 years, starting when she was 3 years old. She trains in Acro, Tap, Hip-Hop, Ballet, and Jazz; her favorite styles being Jazz and Hip-Hop. She has been in A Royal Sleepover, Aurora Borealis, Winter Showcase, Amazing Circus, Wonderland, Space Odyssey, Royals, Spooktacular, 8-Bit Birthday Bash, The Snow Queen, Neon 90's, and now The Nutcracker with Flare! Her favorite role she's played so far was Princess Peach in 8-Bit Birthday Bash! What Lily likes most about playing Peppermint Princess is "finding love in Ballet." Though the hardest part is that she has the complete opposite personality of her on-stage character. Her favorite dances in The Nutcracker with Flare are Tea and Waltz of the Flowers and she's looking forward to the audience experiencing "the energy and excitement" of this show!

MIKAYLA THAO as *The Dew Drop Fairy*

Mikayla has been dancing for 8 years, starting when she was 4 years old. She is currently focusing her training on Ballet and Pointe; but her favorite styles overall are Tap and Lyrical. She has been in A Royal Sleepover, Aurora Borealis, Winter Showcase, Amazing Circus, Wonderland, Space Odyssey, Royals, Spooktacular, 8-Bit Birthday Bash, The Snow Queen, Neon 90's, and now The Nutcracker with Flare! Her favorite roles she's played so far have been Sally and Mario. What Mikayla likes most about playing the Dew Drop Fairy is "The COSTUME and finding love in Ballet." The hardest part of taking on this role has been doing her first solo en pointe. Her favorite dances in The Nutcracker with Flare are The Rat King and Marzipan and she's looking forward to the audience seeing "how hard we worked for them to have a good time."

ELLIE CHAIN as *The Snow Queen*

Ellie has been dancing for almost 2 years, starting when she was 9 years old. She trains in Acro, Tap, Hip-Hop, Lyrical, Ballet, and Jazz; her favorite styles being Ballet and Jazz. She has been in 8-Bit Birthday Bash, The Snow Queen, Neon 90's, and now The Nutcracker with Flare! Her favorite roles she's played so far have been Wakko & Posh Spice, both from Neon 90's. What Ellie likes most about playing the Snow Queen is that "I'm icy, but nice," and she likes that she doesn't have to act as much. Though the hardest part is that she has to smile... "a LOT." Her favorite dances in The Nutcracker with Flare are The Dolls and The Rat King and she's looking forward to the audience seeing "everyone's talent and hard work they have been putting in the dances for the past few months."

NIKKI RIANDA as *The Empress of Tea*

Nikki, a seasoned performer, finds delight in portraying the Empress of Tea, particularly relishing the use of fans in her role. However, mastering the art of dancing with fans has presented a considerable challenge for her. Her passion lies in hip hop and jazz, resonating through her performances. Nikki fondly remembers her favorite character as Kai from Snow Queen, a role that left a lasting impact for her. With an extensive repertoire including Winter Showcase, The Red Shoes, Amazing Circus, The Firebird, and more, Nikki's excited to take on The Nutcracker. Her excitement peaks when performing the Tea dance, showcasing her dedication and enthusiasm for the role. Nikki eagerly anticipates the audience's reception of this particular dance, eager to impress with the intricacies of fanwork and the overall artistry of the dance.

DRAVEN JOSLIN as *The Candy Cane Prince*

Draven, captivated by the opportunity to embody a masculine persona intertwined with hip-hop vibes, finds his rhythm and passion on stage. Perfecting the energy for his character remains an ongoing challenge, pushing Draven to authentically channel the required intensity. Draven's heart lies in lyrical dance, where graceful movements express his deepest emotions. From Royals, Spooktacular, Birthday Bash, Neon 90s, and now The Nutcracker, each performance has contributed to Draven's growth as a dancer. Draven's favorite dance in this show is 'Snow' and is excited present this piece with his peers.

My Favorite Things

Raindrops on roses and whiskers on kittens
Bright copper kettles and warm woolen mittens
Brown paper packages tied up with strings
These are a few of my favorite things

Cream-colored ponies and crisp apple strudels
Doorbells and sleigh bells and schnitzel with noodles
Wild geese that fly with the moon on their wings
These are a few of my favorite things

Girls in white dresses with blue satin sashes
Snowflakes that stay on my nose and eyelashes
Silver-white winters that melt into springs
These are a few of my favorite things

When the dog bites
When the bee stings
When I'm feeling sad
I simply remember my favorite things
And then I don't feel so bad
